Who We Are

Caritas of Austin works to prevent and end homelessness for hundreds of people in Austin each year. We ensure people have a stable home, healthy food, jobs that provide a reliable living wage, and educational opportunities to learn life skills.

How You Can Make A Difference

Whether it's collecting food donations for our Pantry, making a Welcome Home basket for a previously homeless family or individual, or making a financial donation to Caritas, you can help end homelessness and build well-being for our neighbors.
